Created by award winning children's author Britt Menzies, this innovative brand of books, clothing, and future animated show spreads a positive message to children to "always be a leader of good". The ten StinkyKids learn how to make the right choices through their childhood mistakes, and each has his or her own lesson to share.

FAVORITE FRIENDS

Our affordable 18" dolls have full articulation at the neck, shoulders and hips for posing and play. Each doll has a vinyl breastplate below the neck so the huggable cloth body does not show when she is dressed. Rooted hair can be styled; eyes open and close. Clothes and shoes are removable and fit any 18" doll. Trendy outfits and accessory packages are sold separately.
