2014 \$20.00

ISAAC MIZRAHI

NEW YORK™

Welcome to the 2014 collection of Madame Alexander dolls. For more than four generations, Madame Alexander has been designing and manufacturing dolls for girls of all ages. Whether it is one's first baby doll - soft and huggable - or a treasured collectible authentically depicted, Madame Alexander represents product innovation and excellence. This year we have collaborated with one of our favorite designers, Isaac Mizrahi, as well as some of our favorite characters, the Muppets™. We celebrate two major anniversaries, the Wizard of Oz™ and Gone with the Wind™, and premier a new movie, Legends of Oz™: Dorothy's Return. And there is so much more, washable items for baby, Do-It-Yourself (DIY) elements in our 18" Favorite Friends collection and magnificent collectibles. Explore these pages and find favorites.
